

R U Managing?

is your job getting any easier?

- Is your career going from good to great as a manager?
- Do you know somebody struggling to even manage a laugh in a joke shop?
- Would you like better results from your team without having to pay them a penny extra? (Money is not always the right solution – wouldn't you agree?)
- This is *'The Ultimate Management Development Day'* focused for getting better results from you and your team - like a laser beam cutting through butter!

"Managers get results with and through people – excellent managers get excellent results with and through people"

What pay-offs will I get from the day?

- You'll feel and be more motivated as a manager to beat your targets
- Get the right tools to unlock the best from your team – tomorrow and forever
- Team morale and job satisfaction will go through the roof
- Productivity and results will increase
- You and your team will do more in far less time
- You'll save time and money by not reinventing the wheel
- Enjoy learning from other great managers, in a luxurious environment, relax over lunch and have some much welcome fun!
- You'll understand why people are un-manageable and exactly what to do about it (fascinating, and true!)

What will you learn?

- You'll discover that **time management** is nothing to do with education but all about motivation
- How to get the best from your people by clear **team alignment**
- Do short, powerful and **highly effective one to ones**
- Use the 10 simple tools to help you **eliminate most of your fire-fighting**
- Understand why most **business plans and annual staff appraisals are largely a waste of your valuable time** – and discover a better way!
- How to **hold really useful team meetings** that people want to attend
- On this ideas packed and fun day you'll be given simple and proven tools and techniques to use to **enhance the performance, motivation and morale of your team rapidly.**
- And so much more.....

What have previous delegates said about this fantastic day?

“Wow! Fantastic! I’ve been a manager for 19 years and learned more in just one day than on all previous courses” - Joe Mulcahey – Lloyds TSB

“This is brilliant, I can’t wait to get back tomorrow and start using the simple tools to lift results and morale” – Bramwell Munroe - Autocars (Sales) Ltd

“Can’t thank you enough, since the course we’ve raised productivity by 48% in 3 months and morale has gone through the roof. The team actually want to come to work now (even Malcolm!) on a Monday morning!” – Caroline Bishop – Nationwide Building Society

“Thank you. I was sceptical at first. Been there, done that, got the T-shirt. This was so different and refreshing and it’s motivated me as well as the team. We’ve been over target now for 6 of the past 7 months. When are you running an advanced course?” – Nat Palmer – Heritage Engineering

“I now realise I have been a ‘busy fool’ for the past six years and have actually held my team back. Now things have improved overnight and we’re going to be ‘top shop’ this quarter” – Gary Morris – The Print Bureau

“Truly amazing day and results. You made it so simple it was frightening to think I’d lost the plot all these years. 10/10 – thank you” – Sunil Panchmatia – Orthodontists Practice

“Simply amazing, now I get it! Why have I been struggling all these years – no more thanks to Greg and his magic Toolkit” – 10/10 Richard Killen – Highcroft Vet Group

“Truly amazing day and results. You made it so simple it was frightening to think I’d lost the plot all these years. 10/10 – thank you” – Murray Merkin – The Hair Loss Stop

“This was amazing – my Road to Damascus experience. Now I’m in control of my own business after 15 years. Thank you Gregory” - Tony Biden – Build a Better London Co Ltd

And too many more to mention
